Ever since I was young I enjoyed stories from the bible. From those night where my dad would read from a small purple bible story book, to the numerous sunday mornings with my pastor telling of the many adventures of those depicted in the bible, I've found myself fascinated by the history and significance of what happened so long ago. I was thrilled to discover the "Manga Messiah" series. This particular book chronicles the history of Israel from the time the children cross the red sea to the end of the reign of king David. I'd also highly recommend the first three issues of the manga messiah series.

The Next Manga (Japanese stylized comics) series is a vibrant, faithful look at Bible stories that provide a fresh and unique viewpoint in which to be immersed in and engaged by God's love and

redemption for His people. It also does a beautiful job pointing to the source of those stories - God's word. I know for me, it's been a great way to reorient myself to well known stories in a fresh way. Manga Melech (King) provides a fluid, clear and faithful rendering of stories from Joshua to King David. .For a full review, see: wp.me/p2XCwQ-Pf

I bought it for the youth group at church. I wanted to give them something that might catch their attention more than traditional books. I read one of them first, it seemed to follow scripture very well.

We bought all if the Manga books in this series and my boys love them. They read through. The series and go back to read them again. They literally cannot put them down. I highly recommend them my boys are ages 6-10.

Chronologically Manga Melech from NEXT is the second book (of five so far, a sixth book is planned) that sets the Old Testament narrative in context and continues the drama of Abrahamâ TMs descendants right where MUTINY leaves off. These books are absolutely the most powerful way for young people of all ages to spend time in the Word - you will find that your child turns to the full Bible in order to go deeper into the meaning - but these books are awesome for setting them on a course filled with excitement! With editions now published in over 25 languages, young people celebrate that their faith is part of a global youth culture movement - that they are enjoying the word of God just as millions of other kids are in many languages. Because it is so accessible and (dare to say, FUN) kids are sharing their faith through telling the stories in Manga Mutiny, Manga Melech, Manga Messengers, Manga Messiah and Manga Metamorphosis from NEXT.

My daughter loved it, she likes the whole series. It is the perfect balance for my 14 year old manga-loving, Christian-minded girl. Her 11 year old brother enjoyed it, too.

It was fun to read and had finished it the day it came in. My church group liked reviewing it.

From the Wilderness in Exodus to the End of King David's life. Interesting characterizations for the men and women of the Bible. Delivery was great and on time
