# Alaska

## Synopsis

Blending poetry and humor, Alaskan author and adventurer Shelley Gill explores the 49th state's history, culture, wildlife, and geography. Explosive volcanoes, extreme climates, massive mountains, shimmering Northern Lights, and dog-mushing races are just some of the sights captured in crisp photographs.

Average Customer Review: 5.0 out of 5 starsÂ Â See all reviewsÂ (6 customer reviews)

Best Sellers Rank: #228,087 in Books (See Top 100 in Books) #93 inÂ Books > Children's Books > Education & Reference > History > United States > State & Local #114 inÂ Books > Children's Books > Geography & Cultures > Cultural Studies > Customs, Traditions, Anthropology #470 inÂ Books > Children's Books > Geography & Cultures > Explore the World > United States

Age Range: 6 - 9 years

Grade Level: 2 - 4

## Customer Reviews

I used this book as a part of an Alaskan unit for second graders. They loved it! The poetry drew them in, they laughed and learned from the "Cheechako tips." Brilliant photographs and clear text make this a wonderful read. The book lends itself to a multitude of reading and writing lessons. It is great an introductory or summarizing text.

If you want to teach your child about Alaska, this is a fun way to do it!

After meeting Shelley Gill at my son's school he requested this book, but was not one of the one's offered that we could order thru school. It was great that I found it on .com. Thank you for making my son's day.

This book details the facts of Alaska and highlights the diversity and is illustrated beautifully. I think elementary school children will benefit from this book!

we lived in Alaska a number of years, and this is a nice depiction of many of the special traits of Alaska

Excellent print quality and illustrations. Kid loved it!
