Customer Reviews

I bought this for my current bible study and am disappointed that it hasn't arrived after more than 2 weeks. I am still looking forward to getting it, but we are now 2 weeks into the bible study so I will have to do some catch up when it finally arrives.

A good study. Intended more for personal use. There are many inspirational excerpts from Lucado's other books inserted into the study. Most of it is questions, with large spaces underneath to write in your answer. I had bought it to lead a group, and while it has helped organize my thoughts for the study, I haven't been able to use many of the questions, as they are quite personal and reflectional in nature.

This book was a very dis-appointing experience in that every page had writing and marks on it. I'm

Very practical workbook with Lucado's amazing insights into the text. Great practical applications and excerpts from his books that fit the text nicely...

You won;t be disappointed if you spend time on this lesson. It is worth the price and the time you need to invest.
