Customer Reviews

This book has numerous resources for Lent, Holy Week and Easter in the Celtic Christian style. It includes Lenten responses suitable for a weekly handout, meditations on various aspects of the Lenten journey. Symbolic actions for Holy week and the Easter season. The language is inclusive and refreshing, and as with all the books in this series it has a helpful "how to use this book" page. It deals wonderfully with the tensions that we live with at this time. It is suitable for use in small or large congregations. I highly recommend this book.

All of the worship resources produced by the Iona Community are amazing. They are full of ideas and stories that help create beautiful and meaningful worship services. I have used two of the other resources in this series for a number of years, and I am happy to add this volume to the collection. The season of Lent needs thoughtful and joyful material, perhaps more than any other season, and I'm sure that you will be pleased by this volume. I know I am.

great resource
