Listen. My kid has a bit of a learning difference. He prefers pictures when reading and who doesn't. This is a great comic book style book that is true to the word of God book. It makes getting to know the bible stories fun, and sticks in the brain due to its comic book format. The kids love it and if that means they learn more about the word of God then I LOVE IT TOO! I would personally recommend it for ages 10 and up, right up to adult. A Great gift too!!

I used the books in this series as gifts the kids could choose in our Kids Club class and they LOVED them!!! Great way to keep the Word in their lives!
