Customer Reviews

I'm kinda picky about baseball imagery. A lot of these pictures are too generic and cheap looking. I actually prefer the first couple of pages that are a solid color with a single baseball or bat. Once they started adding the pictures of the kids sliding, butting, etc., it starts looking weird.

Great little simple picture book. Perfect for introducing toddlers to first concepts of the game. I like that both boys and girls are featured as players.

Another winner for my 2 1/2 year old grandson. The pictures are bright and cheerful and the book size is perfect for little fingers.

Cute book for 3 year olds to teach them about the game and make it fun learning.
