The Remnant: Biblical Reality Or Wishful Thinking?

Synopsis

Incest. Adultery. Theft. Prejudice. Murder. A description of the sins of those who have rejected God in these last days? No. Just a sampling of the sins found in the pews of a church that describes itself as "the remnant." With all of its "new-light" emphasis on good works, health reform, Christian standards, and latter-rain expectations, the Seventh-day Adventist Church struggles with many of the same vices it condemns in the "lost" world outside its doors. The inconsistency of profession and practice painfully evident in our denomination causes many to doubt the church's remnant status. Others see spiritual pride, hypocrisy, and arrogance in this claim to chosenness. What's the truth? With passion and sincerity, Clifford Goldstein examines the Church he loves under the microscope of Bible prophecy and wrestles with the questions: Who is the remnant? Can Laodicea be the remnant? Does the idea of a "remnant within a remnant" have any basis? Can the remnant apostatize? And more? God is still calling out a people to be wholly His. A people who will represent Him more splendidly than any prior generation. Is it too late for Adventism to respond to the call?

From Bible texts both Old and New Testaments, Mr. Goldstein breaks down accurately the true

identity of God's Remnant Church. He then reminds us that this same Church is the last of the seven churches mentioned in the book of Revelation; Laodicea. Lukewarm and filled with indifference, it will be shaken and purged. It's ranks largely replaced by true believers of every Christian persuasion. All of God's true believers will be of one accord, following Divine light from His Holy Word, the Bible, before it's all said and done for this old world. Read how we can remain a part of the Remnant through a personal relationship with our Savior Jesus Christ. How those now outside of the Remnant can become a part of it. And what movement now constitutes the Remnant; God's beacon of light for these last days. Extremely sobering and eye-opening.

Reading now and it is powerful! Book was in great shape for what I paid for it. Thank You!

An excellent perspective of the Remnant concept of the people of God. CG is an excellent writer. The book is well referenced and written so that you don't have to be a Phd to understand.
