Isaiah 1-39: Interpretation: A Bible Commentary For Teaching And Preaching

Synopsis

This unique commentary allows the interpretation of Isaiah 1-39 to be guided by the final form of the book. It focuses on the theological aspect of the book of Isaiah, giving special attention to the role of literary context. Christopher Seitz explores structural and organizational concerns as clues to the editorial intention of the final form of the material, which he argues is both intelligible and an intended result of the efforts of those who gave shape to the present form of the book. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Customer Reviews

This is an excellent commentary for preachers and teachers of First Isaiah. It is scholarly, and relates it to 21st century CE. issues. Actually, I have found all the Interpretations series to be helpful. V. Ned Bixler
