John (MacArthur Bible Studies)

Synopsis

The Gospel of John is filled with profound truths and rich spiritual stories. Stories of Christ's miracles that inspire His followers; stories of death that redeems the lost; and the stories of Resurrection that provides us with hope for eternal glory. Every miracle, teaching, and reaction John writes has one clear purpose to prove that Jesus is the Word, the Messiah, and the Son of God. The dramatic milestones of Christ's ministry, as portrayed by John, have invited millions of believers through out the ages into a saving faith with Jesus Christ, and will lead you into a deeper understanding of the ultimate story of Jesus, the Son of God. The Mac Arthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups. Features Include:

- Twelve week study
- Thought-provoking questions
- Verse-by-verse commentary
- Space provided for note-taking

Customer Reviews

I bought this book to use as a spring board for a study that I am doing in SS and it has worked very well for what I wanted it for. I would recommend it as a study guide for the book of John as well, it is well done and well written with thought provoking questions.

I am beginning a Bible study on the book of John. I am starting from scratch and I needed to find a

resource that would at least give me some guidance of how to begin, this is it. It divides the lessons in segments for the leader to follow, it points to the most important points and explains them. I recommend you still read some commentary because the book is just a guideline.

The Kindle version is NOT the same as the print version offered on the same page, and I can't find anything that would have told me that. Purchased the Kindle version for use in a study with others who bought the print version. Very disappointing to have a different edition with no notice.

Great resource to do personal bible study or use as a discipleship tool. He walks through each chapter and verse with questions and a small amount of notes. I would like to have the answers for more insight and a few more deeper questions. But overall a great buy.

Currently using in a group study. The reading is easy and the questions and notes are thought-provoking and stir interest and conversation within the group (women). The only down side is the length of SOME of the chapters, which are too long to cover in our weekly session, so we have to break them down into two weeks, but this is not necessarily a bad thing.

This is a great supplement to simply reading the book of John. It poses good questions for you to go through and to help you understand the overall themes and specific situations in John. I have been using it for personal use before listening to sermons by other preachers to better my understanding and hopefully help scripture stick in my memory. It also slows down my reading so that I'm not simply glossing over scripture that may sound familiar and take me deeper in my understanding. I only wish the study was broken up into smaller sections, but so far, it's been really good.

A really interactive study that has you going through the Bible looking up supporting references for the main text. Helps you see the Bible as a whole. Gives you a base to go on in personal devotions.

I have bought a number of John MacArthur's books because the research and information is excellent. This study guide is good, I think it could have been better if it had more commentary in the chapters. Overall, another excellent John MacArthur publication. Greg[...]
