Gospel Favorites For Solo Ukulele Book/CD Set

Synopsis

This book includes 29 classic gospel songs arranged for chord solo style ukulele. In this style, the melody is voiced on the highest string while the chord or harmony note is voiced in the lower strings. The result is an attractive presentation that needs no additional instrumentation. Guitar chords are included if accompaniment is desired. The tunes represent the rich palette of hymns, songs and spirituals in the Christian tradition. The book is recommended for all levels, and comes with accompanying audio.

I have done a few arrangements of hymns for uke myself but wanted to increase my repertoire. These arrangements are nicely done, not too hard for a beginner/intermediate player like myself. By the time you play through all these you should have a good idea of how to do your own arrangements just by observing the way Joe Carr goes about it.

Good Ukulele book with tablature and staff notes, and a CD to play along with. The songs are not too easy or hard. Good song selections. I recommend all of Joe Carr's Ukulele books.
