The Message Of Exodus: The Days Of Our Pilgrimage (Bible Speaks Today)

Synopsis

When the Lord promised the land of Canaan to Abram and his descendants (Gen 15:7), every part of it was already occupied by other peoples. The long journey to possession of the Promised Land was prepared by God, yet it led through a path of adversity. We, the readers of the Old Testament, are left to wonder why. In this engaging commentary on Exodus, J. Alec Motyer explores the character of God through his covenant promises and persistent faithfulness to the people of Israel. Through the story of Israel we are exposed to an unquenchable fire: God the Savior, the Companion and the Indweller, who will not fail those who so often fail him.

Customer Reviews

I bought this commentary at the recommendation of my sister-in-law who was working on a series of lectures on Exodus for our church's women's group. Not only is this commentary Biblical and detailed, it's written with such a pastoral sense of people's hearts and high view of the whole of Scripture. This commentary has made the book of Exodus come alive for me in a way it never has before, and my faith and life have been touched deeply by it. I cannot recommend it more highly.

This commentary has incredible information I would not have uncovered on my own. It is understandable and interesting without talking over your head. It also is not too wordy, which is a common problem with many Bible commentaries.

Well written and conservative. Great balance between pastoral/scholarly commentaries. Moyter definitely has a good head in his shoulders (see his commentary on Isaiah as well).

shipped quickly and very happy with product
