## Customer Reviews

This book is awesome! My favorite coloring book artist and on velum like paper. Never seen anything like it. I guess that's what Stained Glass Coloring Book is! I haven't colored in it but I can't wait to get markers on it. I imagine it would be translucent and beautiful. I'll update the review after I've done a few pages.

The designs are excellent, but I didn't expect it to be so heavy with "day of the Dead" imagery, as most designs incorporate skulls, and the pages are translucent, to create a bit of a stained glass effect.

Beautiful variety of Mexican themed designs including traditional and el Dia de Los Muertos. My students loved coloring these for our art wall during Hispanic Heritage month.

This was another great book of Coloring. I really liked this book. Every page was different and fun to color, I would buy this again.

Has some nice pages and has given me some ideas to create a few of my own original creations in the months to come

How fun! I like the stained glass concept and the variety of pictures.
