Customer Reviews

It's Patsy all the way. Her wit and humor make reading and listening to her a joy. I own the audio book and absolutely love it - I've listened to it beginning to end several times, and hesitate to pass it on to a friend (because I doubt I'll get it back). Very uplifting and entertaining. She tells stories that make you realize that you're not the only one to go through "that" (and makes you laugh about it :). ENJOY!

this book was so good to me, and it helped me see my problems in another light. so i bought acopies for my two sisters and for me and mom. thank you so much for having them on hand, you are a godsend for me

I always enjoy Patsy's books! She draws from real life experiences, mostly her own, and she makes the applicable Bible story come alive.

Book was a little used /worn it but I somewhat expected it. Good purchase.

I bought this book as a gift. I was pleased with my purchase.
