This series is so amazing! My son does not really like to read, but he loves Guts and Glory. He said that it is like having a conversation... and he says he can tell Ben is so excited to tell the story. I love them just as much! It gets him to read and learn some history at the same time. I definately recommend!

I love the way Ben Thompson writes his history books. Succinct and brief stories about the way

events occurred. Recommend his books to anyone who wants to read about the reality of human life. Want to read the real history of the Vikings? Read this book!

If you like Vikings, love history, and love some sick and awesome humor thrown in, you're in luck. Ben Thompson really did well with this book, covering a wide range of Viking gods, folk-heroes, Real-life heroes, villains, and general Badasses.

Great book! Writing style makes what could be dry history, interesting. Thoroughly enjoyed this and look forward to reading his other stuff.
