# So, You Want To Work With The Ancient And Recent Dead?: Unearthing Careers From Paleontology To Forensic Science (Be What You Want)

## Synopsis

Have you ever been excited by forensic science or psyched to dig up fossils? This comprehensive guide reveals a whole host of careers in the underrated world of the no-longer-living. Covering everything from well known jobs like archaeologists, morticians, coroners, and forensic scientists to the not-so-well-known professions like studying dead stars and planets to playing a zombie on TV, *So, You Want to Work With the Ancient and Recent Dead?* uncovers a treasure trove of occupational opportunities. In addition to tips and interviews from professionals in the industry, *So, You Want to Work With the Ancient and Recent Dead?* includes inspiring stories from kids who are working toward an exciting career in the area of "dead things" as well as activities, a glossary, and resources to help you unearth your interests and discover a successful career.
